Drew Corson AZA #2329 was founded in 2002 when two Louisville AZA chapters merged due to lack of membership. The name Drew Corson was chosen in honor of an Aleph named Drew Corson who had tragically died the year before. Since then, Drew Corson AZA has been a growing enterprise, with membership steadily rising every year. As of December 2013, we had over forty paid members, which made us the fourth-largest AZA chapter in the Order. The unofficial sport of Drew Corson AZA is definitely basketball, due partially to the fact that we live in Kentucky, and because it was Drew Corson's favorite sport. In honor of our past City Director, Justin Sadle, and our past Chapter Advisor (and Justin's little brother), Glenn Sadle, we have dubbed ourselves the Knights of the Sadle Army with our mascot being—of course—the Flying Sadles. We might be jokesters at home, but we take our BBYO seriously. We cannot wait to see our presence in the region and International Order continue to grow over the next few years.

Mishpocha means family in Hebrew. This has been our chapter name since our chapter has been started, which was around the 1920's! We were also the first chapter in our region of KIO (Kentucky-Indiana-Ohio). Our chapter nickname, the Doctors, was dubbed onto us when sometime in the 1970's, members from our chapter dressed up in scrubs and surgery masks, and went around the city of Cincinnati doing good deeds! This is 100% true and completely hilarious!
