MEET THE MEMBERS

What has been the best part of your BBYO journey?

"...I wouldn't say there is one 'best' part because there are countless, but I do have to say a great part of my BBYO journey is deep talks during separates with my closest friends. I know it sounds cliché but you really connect on a much deeper level..."

Drew Schneider, Sophomore, Mishpocha AZA #490

"Making the amazing relationships I have had in the past 2.5 years."

Abbie Kahn, Sophomore, Aliah BBG #368

"...CLTC was one of the best parts of my BBYO journey because it showed me that KIO is so different from all of the other regions and councils. Everyone was able to put in different pieces of what their region/councils did, while also giving me ideas to take back home [and] it made my love for KIO even stronger..."

Emma Cohen, Sophomore, B'Yachad SG BBG #43

"Camp Campbell Gard's food..."

Chase Cohn, Freshman, Heart of Ohio AZA #55

"Meeting so many new and amazing friends as well as becoming an amazing leader."

Lia Shapiro, Freshman, Ner Tamid BBG #2490

"When everyone stopped hating me after freshman year and sharing a bed with Hunter Cohen."

Harrison Lippy, Junior, POPS DSK AZA #15
